

## PRODUCT PROFILE

Specialty Organic Nutrient from Natural Oil Cakes for Soil-Plant Health enhancement.

## NATURAL ORGANIC NUTRIENT

### PRODUCT FEATURES

- 100% Natural blend of Cold pressed Neem, Karanja, Castor cake and proprietary Bio-Nutrient plant extracts.
- The product is 100% Vegan, Organic and Carbon Negative by choice of ingredients.
- Product provides supplementary NPK to plants and makes Soil Carbon rich for enhanced Microbial activity.
- Product degrades under microbial activity and produces Amino and Organic acids for improved Nutrient uptake.
- Reduces Nitrification process/ leaching and improves Nitrogen use efficiency. Also, improves P & K nutrient chelation, release and uptake.
- A Standalone Organic fertilizer and an ideal Mineral Nutrient companion for better nutrition utility.
- Keeps healthy Soil pH conditions constantly for Plant Health and Optimal Nutrition uptake.
- Provides Proteins and Carbohydrates for Soil Microbes for Synergistic benefits.
- Suppresses Soil Nematodes, Soil borne Pests and Pathogens.

### PRODUCT BENEFITS

- Improves Soil Health and Suppress Pests & Diseases.
- Improves Soil Microbial Activity and Overall Soil quality.
- A companion product for Organic and mineral fertilizers uptake efficiency.
- Improves Nitrogen Utility and Cost Economics.
- Improves P & K Nutrient chelation, release from Soil and Plant uptake.

### PRODUCT USE RECOMMENDATIONS

- Apply 100-400 Kg/ Acre for all Crops including Plantations. A high rate up to 1000 Kg/ Acre may be used in deficient soils.
- Apply 100-200 Kg/ Acre along with other Organic and Chemical fertilizers.
- Apply 0.25-1 Kg/ Plant for Plantation crops such as Cardamom and Pepper for spot application applications.
- Apply 50-100 g/ Pot for Home garden potted plants.
- Apply 2-3 times a year for Perennial crops at suitable intervals for Healthy and Sustainable crops.

### RECOMMENDED CROPS

- Rice, Vegetables, Fruit crops, Sugarcane, All Commercial row crops, Plantation crops including Cardamom etc.

AVAILABLE PACKING

1 kg & 25 kg
