

# ECOWORKS TECHNICAL™

## PRODUCT PROFILE

Organic  
Biopesticide  
for IPM & Residue  
mitigation.

## BOTANICAL INSECTICIDE, MITICIDE, NEMATOCIDE AND FUNGICIDE

### PRODUCT FEATURES

- Made from 100% pure high quality Neem seed kernels from selective regions in
- South India, known for superior active ingredient composition, quality and bio-efficacy.
- Manufactured using proprietary cold rotary processing with microfiltration to keep
- 100% natural composition and superior biological activity.
- Contains 3000 ppm Azadirachtin with rich Neem limonoid profile.
- Proprietary manufacturing process enables crisp brown color, honey consistency and unique natural aroma of the product.
- Contains minimal moisture content and acidity for improved product stability and biological activity.
- Unique pre-processing techniques and hygienic facilities eliminates fungal contamination possibility in the product.
- Certified as an Organic crop input by OMRI as per USDA-NOP.
- Product is US-EPA approved (Registration # 89152-3) as Technical active ingredient for crop pest and disease control applications.
- Product may also be used for other applications such as cosmetics, personal care, pet and animal care, textile and lubricants etc.
- Quality control is performed by in-house R&D for reliable product quality.

### PRODUCT BENEFITS

- Crop, Garden and Hydroponic pest and disease control products.
- Soaps, shampoos, creams, cosmetics and hygiene products.
- Detergents, lubricants and industrial applications.
- Pet & Animal shampoo, hygiene and pest control products.
- Textile treatment and combat wear applications.
- Plant leaf shine in indoor and outdoor plants.
- Coating fertilizers for improved efficiency.

### PRODUCT USE RECOMMENDATIONS

- Typical application rate is 2.5 to 5 ml / L water along with an emulsifier.
- Follow local regulatory labels on approval.

### RECOMMENDED CROPS

- Recommended for all crops including vegetables, fruit trees, nut trees, row crops, feed and forage crops, ornamental trees, flowers, shrubs, container plants, turf and public greens.

### AVAILABLE PACKING

1 Gal, 2.5 Gal, 264 Gal
